Trends and innovation in protective equipment & workwear

Published by

HSM
HEALTH & SAFETY MATTERS

ppeinsight

The fifth edition of the guide is brought to you by the team behind the leading title Health and Safety Matters magazine. Taking an in-depth look at the latest trends, innovation, materials and technologies in PPE and Workwear. The annual guide harnesses HSM's market leading knowledge and extensive experience of the PPE market, to produce this indispensable reference guide to anyone involved with procurement of PPE and Workwear.
