

Continued success!

2019 represents the 17th year of the successful publishing partnership between Health & Safety Matters and the BSIF.

We are continuing to work with the UK's largest, most respected trade and professional bodies which play a huge part in the Health & Safety industry. In 2019 we will be bringing you an even bigger and better Guide, once again combining our winning formulas to provide the safety industry with more information than ever before. The Guide will be designed to provide:

- A reference source for industry to assist accessing safety products and services
- A general source on occupational safety
- A Guide for sourcing information on occupational health and safety

"Last year's Guide was once again positively received and was seen as a major step forward in the health and safety industry. In 2019 we are continuing to develop and generate a comprehensive reference tool focusing on several key areas within the safety and occupational health industry."

Alan Murray, BSIF.

The Guide will be presented in an A4 perfect bound format, and will include:

- Carefully selected editorial themes to meet a variety of reader requirements
- Contributions from industry respected trade and professional associations
- Company and product profiles, allowing advertisers to effectively promote products, equipment and services
- Enhanced Profiles. Making your company details quick to find, and readily available
- An easy to use Products & Service Selector
- All contributors to the Guide will be included in the A-Z Suppliers Listings.

Circulation

Total distribution of the 2019 Guide will be in excess of 25,000 copies:

- The total ABC audited circulation of 18,000 qualified and dedicated readers of Health & Safety Matters
- 1,000 industry copies
- 5,000 copies distributed to safety distributors, other decision makers, and BSIF members.
- Extra copies will be distributed from the BSIF & HSM exhibition stands around the world and within the UK.

Company and product profiles

We are offering a unique style of advertising in 2019. Simply combine your corporate advertisement with a **FREE** detailed company / product profile for maximum impact. There are four options to suit all budgets:

We will typeset your company profile using photography, text etc, supplied by you.

1
